

# A Kingdom Manifesto

Whereas Jesus Christ came into this world to establish a Kingdom and not a religion, and His Church is His governmental body on Earth, called to have dominion over all the works of His hands,

Whereas religion has robbed the Church of her divine authority and dominion through ignorance, faulty doctrine and the promotion of an escapist mindset, causing her to forsake her former positions of influence in government, media, communications, finance, education and entertainment,

Whereas godless men and women have subsequently possessed these seats of power and used them to promote rebellion against the will and plan of God and thus bring curses upon our nation, placing us in crisis and facing problems that our elected leaders are seemingly powerless to resolve,

Whereas our freedom and liberty to speak openly about God and His Kingdom are being increasingly constricted with extreme prejudice by forces who are openly hostile to people of faith,

Whereas the Spirit of God is stirring the hearts of God's people, moving them to rise up and take action, casting off their complacency, self-centeredness, and foolish divisions, and be united in faith,

We hereby call for a revolution in the marketplace, an invasion of the power centers of our nation by courageous, Spirit-filled, Spirit-led believers who possess the wisdom from above to restore righteousness and justice that the blessings of God may once again be upon our land.

We, the People:

One nation under God
